4. It is also **strongly** advisable to sell your non-show puppies on AKC Limited as well as Spay/Neuter contract in order to protect your breeding program. Contracts for your puppies sold/placed should include a "First Right of Refusal" clause, in the event that the buyer ever needs to let go of your puppy at any time.
5. Agree that puppies resulting from this breeding shall not knowingly be sold either directly to, or to an agent thereof, an individual who sells outright or consigns to a pet shop, kennel, or individual whose purpose is mass production, wholesaling, or retailing of purebred dogs. Any deviation from this clause will result in legal action by the stud dog owner to obtain control and title of the entire litter. _____ (breeder initials)
6. Due to the love, and time that are involved in the breeding of Bulldogs, and for safety purposes relating to all involved, it is preferred that puppies sired by my dog **not be sold through newspaper or internet advertising**. I will assist with finding suitable homes if assistance is needed through the Bulldog Club of America Breeder Referral program. I am listed nationally as BCA Breeder Referral Volunteer. _____
